WORLD SUISEKI PUBLICATION & EXHIBITION

In Conjunction with the 10th World Bonsai Convention 2026

28 – 31 August 2026

Kuala Lumpur, Malaysia

Introduction

The Malaysia Bonsai and Suseki Society (MBSS) is honoured to invite Suseki collectors and enthusiasts from around the world to participate in the WBC10 International Suseki Commemorative Book, published in conjunction with the 10th World Bonsai Convention (WBC) to be held in Kuala Lumpur, Malaysia.

The registration fee of USD 150 per Suseki entitles each accepted entry to a full-page publication in the official International Suseki Commemorative Book and includes the option of a complimentary exhibition space during the 10th World Bonsai Convention in Kuala Lumpur. Participants are strongly encouraged to bring their Suseki for physical exhibition at the venue; however, physical display is optional. For the avoidance of doubt, participants may choose Commemorative Book publication only, without bringing their Suseki to Kuala Lumpur.

This initiative aims to bring together outstanding Suseki from across the globe and to create what we aspire to be the largest international Suseki exhibition ever held in Kuala Lumpur, presented alongside one of the world's most prestigious bonsai events.

With more than 40 countries expected to be represented at the World Bonsai Convention, this represents a rare opportunity to showcase your cherished Suseki to an international audience and to be featured in a professionally produced global exhibition Commemorative Book.

Why Participate?

- Showcase your Suseki to an international audience
- Be featured in a professionally produced global exhibition Commemorative Book
- Connect with Suseki and bonsai lovers from over 40 countries
- Contribute to making the 10th World Bonsai Convention's International Suseki Exhibition the largest international Suseki exhibition

Registration Deadline: 31 May 2026

Participants must submit a completed registration form, payment confirmation and a high-resolution photograph of each participating Suseki. The submitted photograph will be used for publication in the official exhibition Commemorative Book.
