# WORLD BONSAI PUBLICATION

In Conjunction with the 10th World Bonsai Convention 2026

28 – 31 August 2026

Kuala Lumpur, Malaysia

## Introduction

### Invitation to Participate in the WBC10 International Bonsai Commemorative Book

The Malaysia Bonsai and Suiseki Society (MBSS) is delighted to invite bonsai collectors and enthusiasts from around the world to take part in the WBC10 International Bonsai Commemorative Book, published in conjunction with the 10th World Bonsai Convention (WBC) in Kuala Lumpur, Malaysia.

Each accepted entry will receive a dedicated full-page feature in the official International Bonsai Commemorative Book, with a **registration fee of USD 150 (RM600) per bonsai**.

#### Important Note:

This is a publication-only program. There will be no physical bonsai exhibition at the venue. All participation is through Commemorative Book submission. However, the organiser will showcase enlarged printed versions of submitted bonsai entries to the public, alongside the Bonsai Photo Contest.

The Commemorative Book aims to unite outstanding bonsai from across the globe, creating what we aspire to be the most comprehensive international bonsai publication ever produced—presented in tandem with one of the world's most prestigious bonsai events. With participation expected from over 40 countries, this is a rare opportunity to share your cherished bonsai with a truly global audience.

#### Why Participate?

Present your bonsai to an international audience through a permanent publication.

Be featured in a professionally produced global Commemorative Book.

Connect with bonsai and suiseki enthusiasts from more than 40 countries.

Contribute to the legacy of the 10th World Bonsai Convention by being part of its official International Bonsai & Suiseki Commemorative Book.

#### Registration Deadline: 31 May 2026

Participants must submit a completed registration form, payment confirmation and a high-resolution photograph of each participating Bonsai. The submitted photograph will be used for publication in the official exhibition Commemorative Book.

#### Appreciation of Contribution

As a gesture of appreciation, all Commemorative Book participants will receive TWO complimentary copies of the International Bonsai Commemorative Book to commemorate their contribution.
