### **Michael Morden**

Bonsai Artist | International Trainer | Founder of Michael Morden Bonsai Center

Michael Morden is a distinguished bonsai artist and educator based in Pangasinan, Philippines. As the founder of the Michael Morden Bonsai Center in Villasis, he has cultivated a vibrant community of bonsai enthusiasts and emerging talents across Southeast Asia. His center serves as both a creative studio and a training ground, offering hands-on workshops, styling demonstrations, and botanical exhibitions.

With over a decade of experience, Michael's work is defined by expressive design, structural clarity, and a deep respect for natural form. His artistic philosophy blends Filipino botanical aesthetics with global bonsai principles, resulting in compositions that are both culturally rooted and internationally resonant.

Michael is a sought-after trainer at major bonsai conventions, including his recent selection as one of six international demonstrators at the 17th ASPAC Bonsai & Suiseki Exhibition in Gianyar, Bali (2025). His live demonstrations—ranging from advanced pruning to dynamic repositioning—are praised for their clarity, technique, and storytelling.

He actively shares his expertise through social media and video platforms, including his YouTube channel Michael Morden – Bonsai Center, where he documents styling sessions, event highlights, and educational content for a growing global audience.
